

**1 ELIZABETH Street YORK WA**

5 1 3

Another renovation dream home hits the market this week! This time it is in HISTORIC YORK WA. The home is situated just a kilometre from the town centre, needs a lot of loving care, solidly built from jarrah seasoned timber and red colorbond roof.

It has 5 large bedrooms, 2 bathrooms, 1 lounge, 1 family room, 1 dining room and 1 large kitchen. A revamp from scratch, semi - colonial style home with Jarrah floorboards, high 3 metre ceilings and 4 old fashion brick fireplace to boot.

Well suited for a serious renovator or a good handy person to revamp this run-down charmer.

If you like restoring homes and are not afraid of hard work, then this is for YOU.
